### Kanji Healing

This system was created to **make ANY Japanese Kanji into Healing Symbols**. Once a combination of suitable Kanji have been found (for desired purpose), use this system to make them into appropriate Healing Symbols. These can then be used in MANY ways. Create Healing cards with appropriate charged symbol. This can then be placed on recipient during Reiki healing. Etc..... Just experiment with uses.

ANYONE can call this in/use system.

**To attune others:** You do need to be at least Reiki Master/Teacher Level.  
 Use your own preferred method to attune others.

#### To Receive Attunement:

Just relax and state "I am now ready to receive the Kanji Healing attunement sent to me by (Lynda Ward or Teachers Name)".

#### To Use:

Once appropriate Kanji (some below) have been found (visit: <http://tinyurl.com/75r9q4c>), charge by having your hand over image & state: "This (KANJI SYMBOL – i.e. Animal Healing) will now become a permanent healing symbol".

1: Create cards with Kanji, place over problem area.

2: Create cards with Kanji, place drinks etc on top of Kanji symbol for 5 minutes.

3: Create cards with Kanji, place photo/image of recipient (Human or Animal) on top of Kanji symbol for 5 minutes+.

Etc.....

I like to make my systems as simple as possible. Some of my systems can be experimented with, see what works best for you. Hope my systems are of benefit. Hope they aid you on your spiritual path.
