Natural Disasters Reiki

This system was created as a result of the 8.9 Japan Quake. This system was created to help ALL victims of ANY natural disaster. Reiki makes a difference to those living near the area of disaster and to the Earth itself. This system sends love, light & Reiki to the area and to those affected.

ANYONE can call this in/use system.

To attune others: You do need to be at least Reiki Master/Teacher Level.
Use your own preferred method to attune others.

To Receive Attunement:

Just relax and state **“I am now ready to receive the Natural Disasters Reiki attunement sent to me by (Lynda Ward or Teachers Name)”**.

To Use:

Distance: “Victims of the (DISASTER) will now receive a Natural Disasters Reiki distance healing”

Or:

Place a piece of paper (with details of natural disaster) between your palms. State mentally or aloud: “Natural Disasters Reiki” as often as you feel compelled to.

I like to make my systems as simple as possible. Some of my systems can be experimented with, see what works best for you. Hope my systems are of benefit. Hope they aid you on your spiritual path.
