

BOBBY DAZZLER

This is only my second system.

This is for use with all small furries, Rabbits, Guinea Pigs and Chinchilla's etc. This System was made with a rescued Guinea Pig (3 years old approximately) in mind, he came to us having never been out of his cage, being neglected for around 21 months. He was Itchy to the extent he fell over when he scratched himself, was balding in a big way down both his sides, bloody sores between his shoulders in need of a pedicure and underweight. He has now been outside in a pen and seemed to thoroughly enjoy the feeling of grass beneath his paws.

Pics below: Our new arrival, Bobby – Who this system is named after

This is to reduce Stress, Tension, Fear, in frightened, wild, timid and generally scared animals.

Just think of Vet's visits, Surgery and even Moving House, being taken away from familiar surroundings etc.

To receive the attunement:

Sit and relax. State when ready **“I am now ready to receive the BOBBY DAZZLER attunement sent to me by (Julie Ward or Teachers Name) on this (DAY, DATE & YEAR)”** say this a minimum of 3 times. And then just relax.

To Use:

Mentally think 3 times **“BOBBY DAZZLER”**.

Distance Healing: Say out loud **“(ANIMALS NAME) will now receive a Bobby Dazzler distance healing”**.

To pass on the attunement:

You need to be at least Reiki Master/Teacher Level. Then just ask your higher self to pass on the attunement.

i.e. **“Higher self I ask that (RECIPIENT) be attuned to the BOBBY DAZZLER attunement in it's entirety and at their convenience”**.

This system is FREE to all who call it in in my name:
