Cat Grief Reiki

Has one of your Cat's died/been put to sleep?
Are your other Cat's playing up?
Has there been behaviour changes in the other Cat's?

For a few months we had 4 Cat's. T.S. (Dad's Cat), Buffy (My Cat), Kira (Mum's Cat) & our latest (youngest) arrival Kasper. A few weeks ago, due to health we had to have T.S. put to sleep. He was 14 years old. Since then Kasper has become 'bulchy' & Kira has been 'messing around the house' etc.... Buffy has always been a loner, 1 person Cat (Me). There's been no behaviour change with Buffy. Cat's do grieve the loss of a companion Cat. This system was created to **help Cat's grieve/de-stress/relax etc after the loss of a companion Cat.**

ANYONE can call this in/use system.

To attune others: You do need to be at least Reiki Master/Teacher Level.
Use your own preferred method to attune others.

To Receive Attunement:

Just relax and state **“I am now ready to receive the Cat Grief Reiki attunement sent to me by (Lynda Ward or Teachers Name)”**.

To Use:

Mentally or aloud state: Cat Grief Reiki

Distance: “Cat Grief Reiki for (CAT'S NAME)”

I like to make my systems as simple as possible. Some of my systems can be experimented with, see what works best for you. Hope my systems are of benefit. Hope they aid you on your spiritual path.

Any feedback: email me: wardlynda (at) ymail (dot) com

Namaste
Lynda

I'm now (as of 17/7/2012) a Reverend through the Universal Life Church
