

Full Body Flush

A new Reiki system created by
Grand Master Lynda Ward

Reiki30

This is only my 2nd system so far, so any feedback
(wardlynda@ymail.com) would be greatly appreciated.

A system that sends healing energies throughout your entire body. Working through your Meridians, Joints & Chakras etc. Cleansing you completely. I wanted to create a simple system that can be used by anyone. Also I wanted to create a very simple info sheet for this system.

The process does take several hours to complete.

Attunement can be called in any time, just relax and state: I am now ready to receive the Full Body Flush attunement that has been prepared by Lynda Ward.

Use in healing sessions or on yourself, by thinking: Full Body Flush.

To send via distance: (Full Name, Bday or Location) will now receive a Full Body Flush.

FREE system, No pre-requisites.

To send attunement: Use your preferred method, i.e. Chi Ball/Appointed time & date/Intention etc.
