Healing Spirit Team

This is my 3rd system. I try to keep my systems as simple & brief as possible. I created this system as I have myself recently been diagnosed with Ehlers Danlos Syndrome. A crippling syndrome to suffer from. I wanted to create a system for pain relief for myself and others. A system that can be used by ANYONE for healing. There are NO symbols with this system. Just summon a request for healing.

A Few Facts About System

With this system you don't need to call upon each spirit individually for healing.

No pre-requisites – ANYONE can call in this attunement.

Free based attunement.

Lineage is: Lynda Ward – YOU

Attunement can be sent ANY way you prefer, i.e. Chi Ball, Appointed Day & Time or Intent.
