Reiki Level 4 (Advanced Master)

Reiki Level 4 enables you to create/channel your own systems. You will, during this attunement be attuned to a few new symbols. This includes the main 'Attunement Symbol'. It's this and your intent that makes systems work. INTENT is vital in any/all energy work. Reiki follows your intent/focus.

The following is how I create a new Reiki system:

1. Make notes for the new system.

System Name: _____
Any Pre-Requisites? Y/N
Charge Y/N
Any Symbols? Y/N
How to activate for: In Person/Self Healings/Distance
How to pass on attunement?

2. Type & Print PDF.

3. Make sure it all makes sense. Amend as necessary.

4. Ask your Higher Self for the attunement. Use the Attunement Symbol. Draw with your fingers, a few times or visualize symbol to activate. State: "Dear Higher Self. I want to receive an attunement to (SYSTEM NAME)". Then relax. I then repeat "Dear Higher Self. I want to receive an attunement to (SYSTEM NAME)" to myself a few times.

5. When finished have a short break. Then try a distance/self healing. If these work ok then you can setup distance attunement (following step) and make public. Normally you would play with energies for a while yourself first, but depends on urgency etc.

6. To setup a distance attunement:

Relax and state out loud once "Hon Sha Ze Sho Nen, Hon Sha Ze Sho Nen, Hon Sha Ze Sho Nen. I ask that all those that request it in my name be attuned to (SYSTEM & LEVEL) in it's entirety & at their convenience. So be it". I then repeat to myself a few times. Then just relax.

USE ABOVE AS A BASIC IDEA, BUT PLEASE DO EXPERIMENT. SEE WHAT WAY WORKS BEST FOR YOU.

PRACTISE AS MUCH AS POSSIBLE – I HAVE MANY PRIVATE SYSTEMS CREATED. THAT I CREATED SHORTLY AFTER BEING ATTUNED TO LEVEL 4.
