ANYONE can call this in/use system.

To attune others: You do need to be at least Reiki Master/Teacher Level.
Use your own preferred method to attune others.

To Receive Attunement:

To Use:

Mentally or aloud state: **“Human Anatomy Reiki to (MY/RECIPIENTS SYSTEM)”**

I like to make my systems as simple as possible. Some of my systems can be experimented with, see what works best for you. Hope my systems are of benefit. Hope they aid you on your spiritual path.
